Free Webinar for Medical and Healthcare Device Industries

RMS is going to hold a Webinar targeting your industry by sharing case studies, risk management and debt collection knowledge:

- iQor RMS Collectability Index issued annually by analyzing our Big Data. The Index assists clients to develop risk management strategies.
- RMS global debt collection network helps to collect debt locally, with no language nor cultural barriers.
- Case Studies Sharing

****Participants who attend the Medical and Healthcare Device Industries webinar will get a FREE KYC (Know Your Customer) report!**
